
VANCOUVER CANUCKS ALUMNI BCHL SCHOLARSHIP APPLICATION

The B.C Hockey Benevolent Association is pleased to offer the Vancouver Canucks Alumni scholarships. The program is designed to provide former BCHL players the opportunity to apply for scholarship funds as they continue their academic and hockey careers.

Since 1987, the B.C. Hockey Benevolent Association has provided scholarships to individuals who have graduated from the BCHL. The recipients of the scholarships will be determined by a selection committee consisting of members of the Vancouver Canucks Alumni and will be based on the individual's academic, hockey and community service.

The Vancouver Canucks Alumni Scholarship Committee will determine the amount of the scholarship based on the quality and number of applicants. Awards will be dispersed in the fall once the hockey rosters have been set. To be eligible, you must meet the following criteria:
